CHRISTMAS PARTY NIGHTS

WHY WISH FOR SNOW & GOOD TIMES THIS CHRISTMAS WHEN BOTH ARE GUARANTEED AT THE SNOWDOME.

The real snow slope provides the setting for our hilarious and fun packed Christmas Tobogganing parties. Absolutely no skill is required to have fun in the snow and it's a sure way to get everyone laughing and revelling.

When you come in from the cold, a sumptuous and delicious three course meal is served, freshly prepared by our head chef and his team. On select dates, enjoy festive bonus entertainment with the authentic Eric Von Winkler Bavarian brass band or the classic sounds of Sinatra and Bubl , performed by the talented Lawrence Penn. A late bar and live DJ then carries the party spirit through the night and into the small hours. Party nights without a slope activity are also available, see the Alpine Dinner & Disco package.

Whatever you choose, with unique snow activities, quality entertainment & freshly prepared food, the SnowDome is the perfect place to celebrate Christmas.

“ Thank you SnowDome for arranging a fantastic party. We had great fun sliding down the slope in our toboggans. ”
