PARTY NIGHTS

WHY WISH FOR SNOW & GOOD TIMES THIS CHRISTMAS WHEN BOTH ARE GUARANTEED AT THE SNOWDOME.

The real snow slope provides the setting for our hilarious and fun packed Christmas Toboggan Dinner & Disco parties. Absolutely no skill is required to have fun in the snow and it's a sure way to get everyone laughing and revelling.

When you come in from the cold, a sumptuous and delicious three course meal is served, freshly prepared by our head chef and his team. On select dates, enjoy festive bonus entertainment with the authentic Eric Von Winkler Bavarian brass band, the classic sounds of Sinatra and Bubl , performed by the talented Lawrence Penn or get the party going at the 80's Disco night. A late bar and live DJ then carries the party spirit through the night and into the small hours. Dinner & Disco party nights without a slope activity are also available, see the Alpine Dinner & Disco package.

For those looking for a less formal festive celebration, the Buffet & Disco package offers excellent value for money, with a casual hot buffet style meal, the option of a real snow activity, followed by late bar and live DJ.

Whatever you choose, with unique snow activities, quality entertainment and freshly prepared food, the SnowDome is the perfect place to celebrate Christmas.
