FITNESS CLASS DESCRIPTION GUIDE

50+ DANCE FIT

Specially choreographed for the over 50's, it includes several different dance styles including Salsa and Line Dancing.

AQUA AEROBICS

A low impact cardio and toning workout designed to increase the heart rate while having fun in the water.

AQUA ZUMBA

Blends the Zumba philosophy with water resistance for one pool party you shouldn't miss.

BODYPUMP/BODYPUMP EXPRESS

Uses changeable barbell weights to challenge and strengthen all the major muscle groups. Great for toning and/or losing inches and improving your body shape.

BOOT CAMP/BOOT CAMP FOR ALL

Your fitness levels will be put to the test in this challenging circuit based workout designed to burn fat and improve muscular tone. Boot Camp For All is a new class where our junior fitness members are also welcome.

BOXING TRAINING

Learn basic boxing punches and footwork as part of this fun fast paced workout.

CIRCUIT TRAINING

This is a high intensity circuit based workout that will burn fat, build muscle and improve your overall fitness.

CLIMB FITNESS

Take on our 15 different climb lines across both 6 and 10 metre climbing walls. Improve overall strength whilst learning an exciting new sport, all on the exciting new SnowDome Climb. Sessions are exclusively available for SnowDome Fitness members during term time and must be pre-booked.

CLUBBERCISE

Currently in huge demand, this involves fun, easy-to-follow dance fitness routines, using glow sticks to club anthems from 90's classics, to the latest chart hits, complete with disco lights. You will need to purchase reusable glow sticks for £4 from the instructor in order to do this class.

CORE EXPLOSION

The ultimate abdominal workout.

FAST FIT

This brand of High Intensity Interval Training involves 3 different classes; a cardio, plyometric and strength workout which changes on a weekly basis to get results fast.

FUNCTIONAL 360

An intense total body workout on the functional trainer.

GIRLS THAT LIFT

Exclusively for women, this class focuses on strong being the new sexy. So channel your girl power, improve muscle tone and burn calories, without bulking up.

GROUP CYCLE 30

The 30 minute High Intensity Interval Training (HIIT) session will revolutionise your spin workout.

GROUP CYCLE 45

Group Cycle Connect is the only indoor cycling spin class that tracks workouts, enabling users to improve their performance through a totally immersive riding experience. This involves seated pedalling, sprinting and standing on a stationary indoor bike.

HIIT TRAINING **NEW**

Consisting of bouts of high intensity exercises followed by short recovery periods, High Intensity Interval Training (or HIIT) is the best way to lose fat without losing muscle mass. What's more, the post exercise benefits of this form of training are massive, as you will continue to burn fat up to 48 hours after your workout! Try it and you will never look back.

INSANITY

A revolutionary cardio-based total body conditioning workout based on the principles of MAX Interval Training, resulting in more calories burned, faster results and a more efficient metabolism. There is a variety of exercise modifications so all fitness levels can enjoy this fun and challenging class.

KETTLEBELL TRAINING

This type of training is effective in obliterating body fat, producing toned, firm physiques while at the same time boosting stamina, strength and power.

LEGS, BUMS & TUMS

This is a fun way to get a leaner, firmer body by targeting the leg, bum and abdominal area.

LOW IMPACT AEROBICS

A lower impact version of aerobics aimed at beginners, active mature people or those recovering from an injury or illness.

METAFIT

Combines traditional bodyweight exercises with the latest Tabata/HIIT techniques to set your metabolism on fire!

PILATES

Uses controlled movements to strengthen the core muscles and improve flexibility, posture, body awareness, balance, strength and stamina.

PiYo

This combines the muscle sculpting, core firming benefits of Pilates with the strength and flexibility of Yoga. The speed is cranked up for an intense, challenging, low impact fat burning workout.

SPEED TRAINING

Involving the use of Skillmills, Wattbikes, Concept II Rowers and the sprint track, this class will improve your speed and agility.

STRENGTH CAMP

Consisting of compound and power movements this class will improve form, physical and mental strength. Guaranteed to be more challenging than any other weight training session.

TOTAL BODY WORKOUT

This class uses several different types of resistance training techniques to tone your body and improve muscular definition.

TRX

TRX uses your own body weight to perform high intensity exercises that will improve your muscle tone and burn fat. We recommend that all new attend the beginner's class.

YOGA

Yoga focuses on posture, alignment and breathing to harmonise the mind and body.

YOGALATES

Stretches and strengthens all major muscle groups that support the skeletal system to improve stabilisation and mobility.

ZUMBA/ZUMBA EXPRESS

This fuses hypnotic Latin rhythms and easy to follow dance moves to create a unique class.
