All New Santa Show

Santa's Christmas Village

Discover the delights of Santa's Christmas village, featuring a brand new traditional childrens carousel. Get close and personal with Santa's furry animal friends as you explore the animal area. Step inside Santa's boots when you visit his house, take a photo of his huge Christmas tree and don't forget to write the big man a letter to drop in his talking post box... it's what dreams are made of!

Santa's Christmas Snow Trail

Play and slide around in real snow as you explore Santa's Christmas snow trail featuring snow slides, fun displays and now, falling snow! Take a walk through the enchanted forest, enjoy a fun game of snowballs, hitch a ride on a sledge and have fun sliding about in the snow tubes... great fun for all the family!

It's rehearsal time as Santa is preparing for his big festive performance... The Twelve Days of Christmas! This year he wants a traditional production and with Rudolf's help, plans to wow the audience with a showstopper! It looks like things may go awry however as Shake and Speary, the elves, have their own unique take on the script... traditional it is not! Join in the fun and frolics with the whole gang and as the saying goes... the show must go on!
